INN  
WALTON

LOCK ELEVEN

MENU

At the New Inn Walton we pride ourselves on being a village pub, and we hope to be a pretty good one.

We're passionate about delivering the best experience we can, to the first time visitors, fine diners and to the regulars and locals who call us home.

We deliver home cooked, heart warming food from locally sourced produce. From our butchers, Windsors of Barnsley, fish supplier, Grimsby Fish Co. and greengrocer Keith Mawby of Huddersfield . . . we simply don't cook anything unless we know where it came from!

As a result at peak times there may be a slight wait for food so we can ensure it's just perfect. If it's fast food you want, we're not the place for you . . . So please enjoy a pint of great local ale, a glass of our beautiful wines from around the world or one of our top shelf premium spirits and relax whilst we wait on you.

**It's our pleasure to welcome you . . .**
